

Policy Statement

Child Safety Code of Conduct

A Child Safety Code of Conduct lists behaviours that are acceptable and those that are unacceptable. It provides a high-level statement of professional boundaries, ethical behaviour and acceptable and unacceptable relationships. For more detailed guidance refer to the College's Staff and Student Professional Boundaries policy.

When individuals are clear about behavioural expectations, they are much more likely to act appropriately with each other and with children.

When everyone is educated about the Code of Conduct and the reasons it is so important to uphold, the College environment becomes much more transparent and people are accountable for their behaviour. Above all, a Child Safety Code of Conduct helps to protect children from harm.

This Code applies to:

- All Staff Members, including non-teaching staff and temporary or casual staff;
- Students;
- Volunteers;
- Parents and Guardians;
- Third Party Contractors and service providers (including External Education Providers);
- Members of the College Council;
- Students on placement at the College; and
- Visitors.

Staff, Volunteers, Third Party Contractors and External Education Providers must sign a written statement acknowledging they have read and understood the Code and that they will apply the Code to their work within or for the College. Such statements are retained in accordance with the Child Protection Record Keeping policy.

The Code is made available via our public website. The College has also developed a Student Code of Conduct.

St Martins Lutheran College has the following expectations of behaviours and boundaries for all adults interacting with students, and students within our College community. This includes all students, Staff (teaching and non-teaching), Volunteers, parents/guardians, Third Party Contractors, External Education Providers, Council members, teaching students on placement at the College and visitors to the College.

The College's College Council has approved and endorsed this Child Safety Code of Conduct.
