

Policy Statement

UNIFORM

Aim

To specify the required compulsory student uniform at St Martins Lutheran College, under what circumstances exceptions to the uniform policy can be made and the consequences for breaching the uniform policy.

The purpose of this policy is to:

- Provide a student uniform that is neat and well presented as well as safe, practical and allows for some choice, within a limited range of items.
- Provide a formal summer and winter uniform for girls and boys, Junior and Middle/Senior as well as an all season, unisex sporting uniform for Junior and Middle/Senior students.
- Minimise any accessories that detract from the uniform.

Rationale

At St Martins we believe that a compulsory uniform provides a fair and equal dress code for all students and induces a sense of self pride and respect. A uniform also encourages a sense of community and belonging. A uniform eliminates competition in what students wear and it is the most economical way to outfit students for their school life.

Implementation

1. Uniform Committee

An appointed uniform committee with representatives from the Parents and Friends (P&F), staff, uniform shop personnel and Student Representative Council (SRC) make recommendations to the College Council for any proposed changes or additions to the College uniform.

2. Feedback from Principal, SRC, P&F and staff needs to be gathered for recommended changes.

3. The College will endeavour to stock as many uniform items as is practicable in an attempt to service families, while keeping costs to a minimum.

If this is the case, it will be negotiated on a case by case basis with the Principal or Heads of School, and then communicated with teaching staff.
