

2024 St Martins Out of School Hours Care (SMOSHC)

AIM

The aim of St Martins Out of School Hours Care (SMOSHC) is to provide education and care during after school or vacation care to the students and families of St Martins Lutheran College, engaging in rich learning and development experiences, in a happy, safe and loving Christian environment.

RATIONALE

The St Martins Out of School Hours Care program aims to create a positive, inclusive learning environment which encourages children to engage in activities and experiences based on their interests and everyday lives, and achieve the Learning Outcomes of an approved learning framework. From Reception to Year 7. Educators support individual learning through planning documentation and evaluation. We aim to support families through the provision of a quality education and care service within the St Martins community.
